WHS High Street Rankings March'09

The Rankings at WHS High Street range from 1 to 2,500. They are based on the Retail Sales Value (RSV). It is worth noting that Art of England is priced lower than the competitors in this sector of the Art market, yet it is still ranked the highest. From this we can draw that sales and therefore readership is significantly higher. This is reflected in the extensive listings Art of England has at WHS High Street.
